

To: Whom It May Concern

Dear Sir/Madam,

My name is Tonya Harris. I am the CEO and founder of A.W.E.mazing Enrichment Center which is a nonprofit organization seeking tax exempt status through the IRS.

1/36 boys and 2/252 girls are diagnosed with autism in Georgia according to the CDC. Within the State of Georgia 1/36 children are diagnosed with autism. Many of these children are unable to attend after school programs due to their disability; leaving parents with hardships of becoming unemployed.

I am writing to invite you to consider sponsoring our therapeutic after school and tutoring program for the A.W.E.mazing Enrichment Center that will be starting up in 2025. Our program will provide a safe and supportive environment for children with autism to learn, grow, and thrive. We will offer a variety of activities, including social skills groups, sensory integration therapy, ABA therapy sessions, STEAM and adaptive physical education.

Your sponsorship would help us to provide these vital services to our community. Our goal is to reach 25,000. In return, we would be happy to offer the following recognition opportunities which would include the following packages.

Bronze Package:

\$1,000

Logo placement on our website and social media channels, and an invitation to our upcoming Black Tie Event for Autism.

Silver Package:

\$ 2,000

Recognition at our annual fundraising event, logo placement on our website and social media channels, and an invitation to three free events of your choosing.
